Rock Point Summer Camp is a program of the Bishop Booth Center at Rock Point and The Episcopal Diocese of Vermont. The center has been our camp site for 27 summers. Located on the shores of Lake Champlain, Rock Point is a sanctuary where people may experience a sense of God's presence, the beauty of creation, and a caring community.

It's What We Do!

Camp Theme

Our summer theme is "Handle With Care." God made us for relationship - with God, with each other, and with creation. The call to relationship echoes throughout the biblical witness. Campers will deepen their understanding of what it means to live in loving relationship with God, each other, and creation with an emphasis on how they can "Handle with Care" their relationship with creation. Activities are adapted to camper age levels and Episcopal Church teachings and traditions. Programs are firmly rooted in Scripture and offer a fun, thoughtful way to explore our relationship to God, one another, and creation. Campers will participate in all the fun, traditional camp activities such as games, swimming, sports, singing, arts & crafts, s'mores by the fire, and much, much more.....

Each week new campers are greeted by enthusiastic, well trained camp counselors and volunteer leaders who help to plan programs geared especially to each camper age group. Campers stay in cabins with up to 10 campers and 2 Counselors.
